

2020/2021 PE AND SPORT PREMIUM DEVELOPMENT PLAN

EVIDENCING THE IMPACT & SUSTAINABILITY

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation and is central to meeting the government's ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

PE AND SCHOOL SPORT PREMIUM: THE PURPOSE

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2020 to 2021 academic year, to encourage the development of healthy, active lifestyles.

VISION: GOVERNMENT VISION

All pupils leaving primary school will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

VISION: SCHOOL VISION

[Schools need to add in own details – what is the schools own vision for the use and impact of this funding]

FUNDING OBJECTIVES

Schools must use the funding to make **additional** and **sustainable** improvements to the quality of the physical education (PE), physical activity and sport they provide. This includes any carried forward funding from the 2019 to 2020 academic year, which must be spent by 31 March 2021.

This means that you should use the PE and sport premium to:

- develop or add to the PE, physical activity and sport that your school provides
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can add in more objectives is appropriate

KEY OUTCOME INDICATORS: UPDATED 2020/02021

Schools can use the funding to secure improvements in the following indicators;

Key outcome indicator 1: Engagement of all pupils in regular physical activity

For example, by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes
- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim (funding can only be used for additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons, and should not be used for core swimming provision).

Key outcome indicator 2: Profile of PE and sport is raised across the school as a tool for whole-school improvement

For example, by:

- actively encourage pupils to take on leadership or volunteer roles that support the delivery of sport and physical activity within the school (such as 'sport leader' or peer-mentoring schemes)
- embedding physical activity into the school day through encouraging active travel to and from school, active break times and holding active lessons and teaching

Key outcome indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

For example, by:

- providing staff with professional development, mentoring, appropriate training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches and PE specialists to work alongside teachers to enhance or extend current opportunities offered to pupils

Key outcome indicator 4: Broader experience of a range of sports and activities offered to all pupils

For example, by:

- introducing a new range of sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sports and physical activities and clubs
- providing more and broadening the variety of extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sports organisations

Key outcome indicator 5: Increased participation in competitive sport

For example, by:

- increasing and actively encouraging pupils' participation in the School Games
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations

EVIDENCING THE IMPACT: REVIEW OF PE AND SCHOOL SPORT PREMIUM EXPENDITURE 2020/2021

Key priorities to date	Key achievements & Impact	How will these achievements be sustained or further developed in 2021/2022?
<p>1. Engagement of all pupils in regular physical activity</p>	<p>Key ACHIEVEMENTS All children got the regular 2 hours of PE per week. One lesson Real PE and one lesson team sports. Within their bubbles.</p> <p>Impact on PARTICIPATION All classes were working on the same cognitive theme, using the real PE cogs. Yr5 & Yr6 we're able to have after school sports clubs with bubbles.</p> <p>Impact on ATTAINMENT The children continued to create a positive relationship with active sports.</p>	<p>C4L programme will be reintroduced when covid restrictions allow.</p>
<p>2. Profile of PE and sport is raised across the school as a tool for whole-school improvement</p>	<p>Key ACHIEVEMENTS We used the NSSP enhanced programme. All Yr 5 children were trained in PE to be young leaders.</p> <p>Impact on PARTICIPATION Virtual competitions and actual competitions were attended where possible. YL planned and delivered lessons to their peers.</p> <p>Impact on ATTAINMENT Regular contact and virtual cluster meetings with SSCo.</p>	<p>Renew enhanced membership with NSSP and continue to access. Competitions and events.</p> <p>School Games Mark Gold Award retained as programme was suspended for a further year.</p> <p>YL will deliver lunchtime activities to KS1 children at lunchtimes.</p>
<p>3. Increase confidence and skills of staff in teaching PE and Sport</p>	<p>Key ACHIEVEMENTS Lessons have been consistent throughout the school. HD has supported staff to deliver good quality PE lessons through the Jasmin programme.</p> <p>Impact on PARTICIPATION Whole staff training was delivered virtually. Then Jasmin real PE programme purchased to support planning.</p> <p>Impact on ATTAINMENT Actual lessons were delivered by a real PE representative and staff were able to observe and ask any questions.</p>	<p>We will renew the Jasmin app subscription. Add all new staff purchase or renew any resources. So that we can continue to deliver good quality lessons.</p>
<p>4. Broader experience of a range of sports and activities offered to all pupils</p>	<p>Key ACHIEVEMENTS Chance to shine cricket and LTA lesson has enabled children to develop skills in cricket and tennis. Yr5 children took part in Bikeability level 1&2</p> <p>Impact on PARTICIPATION Yr 1,2,3&4 had tennis lessons delivered by LTA yr 4&5 cricket was delivered by chance to shine.</p> <p>Impact on ATTAINMENT</p>	<p>Chance to shine, and LTA will be asked to come back to Headlands. Saints cricket will be delivering lessons in term 1.</p> <p>Extend Bikeability to yr 6 level 3.</p>

	Teachers were able to observe lessons delivered by Chance to shine and LTA as part of CPD. They then repeated and extended the lesson so the children gained more confidence in the sports.	
5. Increased participation in competitive sport	Key ACHIEVEMENTS Virtual inter school competitions were completed. Yr5/6 achieved a silver in cricket.	All children will be trained for competitions through PE lessons. Giving all the children the opportunity to participate in each sport.
	Impact on PARTICIPATION Children were unable to go to competitions because of COVID restrictions, so during PE some children were still able to access the sports through virtual competitions.	
	Impact on ATTAINMENT Employing supply teachers has enabled staff to accompany children to competitions and events.	

EVIDENCING THE IMPACT: THE IMPACT OF COVID-19 ON THE PROVISION OF PE, SCHOOL SPORT & PHYSICAL ACTIVITY

	What has been the impact of Covid-19 on the provision of PE, School Sport and Physical activity within your school?	How have you utilised your PE & Sport Premium funding to overcome some of these challenges?
Term 1 September to December 2020	The children have been able to access 2 hours of good quality PE each week within their bubble.	Real PE training for all staff has helped teachers and HLTA's to deliver good quality PE lessons.
Term 2 January – March 2021	The children have been able to access two hours of good quality PE each week. Within their bubble.	Teachers and staff have been able to access Jasmine to keep lessons consistent.
Term 3 April – July 2021	The children have been able to access 2 hours of good quality PE each week within their bubble. Outside providers, cricket and tennis, have been able to come into school to continue their delivery of sports sessions.	Teachers and staff have been able to access Jasmine and continue their CPD through outside providers now being able to delivery sessions in school.

SWIMMING: MEETING THE NATIONAL CURRICULUM REQUIREMENTS FOR SWIMMING & WATER SAFETY

- Swimming is a national curriculum requirement
- The 3 requirements for swimming and water safety are that by the end of key stage 2 pupils should be taught to:
 - swim competently, confidently and proficiently over a distance of at least 25 metres
 - use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
 - perform a safe self-rescue in different water-based situations

You can use your funding for:

- Professional development and training that are available to schools to train staff to support high quality swimming and water safety lessons for their pupils

- Additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water

Schools are required to annually publish information on the percentage of their pupils in year 6 who met each of the 3 swimming and water safety national curriculum requirements

Outcome	% of pupils achieving outcome			
	2017/2018	2018/2019	2019/2020	2020/2021

Department for Education guidance on how to use the Primary PE and Sport Premium – updated October 2020

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government’s ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people’s physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The School Sport Activity Action Plan set out government’s commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day (in line with the Chief Medical Officer guidelines which recommend an average of at least 60 minutes per day across the week).

The PE and Sport Premium can help primary schools to achieve this aim, providing primary schools with £320m of government funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools so they have the flexibility to use it in the way that works best for their pupils. The PE and Sport Premium survey highlighted the significant impact which PE and Sport has had in many primary schools across England.

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer.

This means that you should use the premium to:

- Develop or add to the PE, physical activity and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

What should your funding NOT be used for?

The Secretary of State does not consider the following expenditure as falling within the scope of additional or sustainable improvement:

- Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements – these should come out of schools’ core staffing budgets
- Teaching the minimum requirements of the national curriculum PE programmes of study – including this specified for swimming
- Fund capital expenditure

Active Miles

If schools choose to take part in an active mile, they should use existing playgrounds, fields, halls and sports facilities to incorporate an active mile into the school day and develop a lifelong habit of daily physical activity.

Schools compliance

You are accountable for how you use of the PE and sport premium funding allocated to you. You are expected to spend the grant for the purpose it was provided – to make additional and sustainable improvements to the PE, sport and physical activity offered. Schools and local authorities must follow the terms and conditions in the conditions of the grant documents.

Ofsted inspections

Ofsted's new [Inspection Framework](#), which came into effect from September 2019, gives greater recognition to schools' work to support the personal development of pupils, such as the opportunities they have to learn about eating healthily and maintaining an active lifestyle. Inspectors will expect to see schools delivering a broad, ambitious education, including opportunities to be active during the school day and through extra-curricular activities. Schools should consider how they use their PE and Sport Premium to support this.

Online reporting

Schools must publish details of how you spend your PE and sport premium funding by the end of the summer term or by **31 July 2021 at the latest**. If you have any carried forward funding from academic year 2019 to 2020 you should show separately how this funding has been spent and confirm that it has been spent before 31 March 2021.

Online reporting must include:

- the amount of PE and sport premium received
- a full breakdown of how it has been spent
- the impact the school has seen on pupils' PE, physical activity, and sport participation and attainment
- how the improvements will be sustainable in the future

You are also required to publish the percentage of pupils within your year 6 cohort in the 2020 to 2021 academic year who met the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
- perform safe self-rescue in different water-based situations

Attainment data for year 6 pupils should be provided from their most recent swimming lessons. This may be data from years 3, 4, 5 or 6, depending on the swimming programme at your school. It is essential to retain attainment data from swimming lessons in years 3 to 5 to be able to report this accurately in year 6.

Review of online reports

Schools' online reporting is monitored through an annual sample of schools. Active Partnerships review the published information on selected schools' websites to ensure it meets the requirements on PE and sport premium funding and swimming attainment. The results are then shared with DfE and help to ensure that Active Partnerships can offer schools in their local area the most relevant support.

Payment dates for the 2020/2021

Maintained schools, including PRU's and general hospitals

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE. We give the funding to your local authority and they pass it on to you.

We give local authorities PE and sport premium funding for maintained schools in 2 separate payments. They receive:

- 7/12 of your funding allocation on 30 October 2020
- 5/12 of your funding allocation on 30 April 2021

Academies, free schools and CTCs

We send academies, free schools and CTCs their PE and sport premium funding in 2 separate payments. You receive:

- 7/12 of your funding allocation on 2 November 2020
- 5/12 of your funding allocation on 4 May 2021

Non-maintained special schools

We send non-maintained special schools their PE and sport premium funding in 2 separate payments. You receive:

- 7/12 of your funding with the first payment you have scheduled with us after 2 November 2020
- 5/12 of your funding with the first payment you have scheduled with us after 4 May 2021
